## Week of April 30<sup>th</sup> - May 4<sup>th</sup>

Happy May!! It is great to have warmer weather and the children love not wearing coats out to recess. This week we finished our ocean unit. Our centers included: making a jellyfish, drawing and labeling a picture in our journal, using stencils to create an ocean picture and making a shark puppet. We spent the week cutting out all of the creatures for our ocean and putting the habitat project together. This is a fascinating habitat and the children have thoroughly enjoyed all of the ocean stories. Please take time to let them tell you all about their ocean book project.

### What's Coming Up!

Next week we will be learning all about our great state of Michigan. We will be having a Michigan Snack Day celebration on Thursday, May 10. Your child may invite one adult guest to attend. We will be eating food that is made or grown in Michigan. Morning class: 10:15 am  
Afternoon class: 2:15 pm

### Important News!

There is no school for Discovery Kindergarten on Friday, May 4<sup>th</sup>. This is round-up day for the incoming students. How time flies!!!!
